

## Couples Fun Nights

Couples Fun Nights are a fun and exciting way to enjoy a casual round of golf with your significant other.

The way the event works is there is a 9-hole shotgun start and the couples are split up and paired with other golfers. Silly variations on the traditional golf game are often incorporated into each round. There are also unexpected surprises that pop up and funny prizes that are given out during play.

Following golf, the couples join back up for dinner and an entertaining program.

The cost to participate in the Couples Fun Nights is kept to around \$5, not including greens fees and cart rental.

People are encouraged to sign up at the River Heights Clubhouse. Couples Fun Nights are a great way to meet other golfers and have fun throughout the season.
